Trip Operation

ITINERARIES: We will make every effort to ensure our trip will run smoothly and according to the posted itineraries. However, we reserve the right to modify our itineraries as we deem necessary to keep everything running comfortably. The planned itinerary is representative of the types of accommodations, transport and activities planned, but the actual itinerary, including routes, schedules, amenities, modes of transport, and other items, may still be subject to alteration or substitution without prior notice due to circumstances on the ground or upon recommendation of our partners in destination. In these cases, we will make every effort to ensure the changes result in an equivalent or better experience for our participants. We will not be held liable for any damages related to these alterations.

In rare cases, due to circumstances beyond our control (see Force Majeure below), and for the safety, comfort, and wellbeing of our participants, it may become necessary to make major changes to our itineraries, including omitting certain destinations or segments of a tour. Should this occur, we will inform you as soon as reasonably possible.

FORCE MAJEURE: Certain unexpected circumstances may arise, such as (but not limited to) weather events, pandemics, quarantines, criminal acts committed by third parties, defects of vehicles or breakdown in equipment, or an Act of God, that are beyond anyone's control, which force a cancellation or disruption of services.
